Dear Mr. Mamos,

My name is James Shelton. I write to bring to your attention a telemarketing concern of mine. On May 7, 2017 at 1:18 PM, I received a prerecorded call from "Steven" who told me to call 650-338-1440 after . I called that number back, and I was connected with your company, and received an e-mail from your company soliciting your services. I did not provide my consent to your company or any third-party agents to make telemarketing calls to me. My telephone number, [484-626-3942](tel:484-626-3942), is on the National Do Not Call List. It is my understanding that according to the Telephone Consumer Protection Act ("TCPA"), it is illegal to make marketing calls to someone on the Federal Do Not Call List without first obtaining the express consent of the recipient. Furthermore, the call was made using an automatic telephone dialing system (ATDS).

Please forward to my attention all documents that evidence any purported consent to receive telemarketing calls from your company, as well as any other documents that support a claim that there is no relationship between the company that made the calls and your company, if that's your claim. Additionally, please immediately place my number [484-626-3942](tel:484-626-3942) on your Do-Not-Call list and provide me with a copy of your Do-Not-Call policy. Before I proceed with a formal claim, I wanted to give your company the opportunity to explain its actions. Please forward this information to my attention by e-mail (jeshelton595@gmail.com) or a USPS letter by May 30, 2018.

Very truly yours,

James E. Shelton
